Announcement of Community Organizations Development Institute

Subject Intention to not accept any kind of gifts from performing duties (No Gift Policy) 2024

Community Organizations Development Institute places a high priority on combating corruption and misconduct which aims to focus on performing duties with honesty, adhering to the principles of good governance as a transparent and verifiable organization. In order to build trust with the people and society. We will perform duties with full capacity to achieve the most benefit for community organizations and community networks under the institute's objective and missions

Community Organizations Development Institute would like to announce that the Director and all staffs will intend to perform duties with honesty, transparency and accountability adhering to the nation's interest and morality as the most important part and do not accept all kinds of gifts and presents (No Gifts Policy) both while, before and after performing duties, which may cause corruption and misconduct in the present and in the future. As well as strongly against all forms of corruption.

The announced is therefore declared to be strictly followed

Announced on 21 December B.E. 2023

(Mr. Krisada Somprasong)

The Director of

Community Organizations Development Institute
